# Welcome to Royal Country!

Hello College Royal Visitors! Welcome to our 2013 event.

Guelph is a unique place and College Royal is one of the reasons why. Students, faculty and staff work together to showcase what our research and teaching is all about. There are also demonstrations of what we do for leisure and relaxation. Many nooks and crannies of the University are only open on College Royal weekend, so make sure you see everything. Try your hand at one of the many activity centres or join in to learn something new. Fun is around every corner. I hope you enjoy yourself.

– Alastair J. S. Summerlee  
President, University of Guelph

## Welcome to Royal Country!

I am very honoured to be welcoming you to the 89th annual College Royal™ Open House Weekend. I have been a member of the College Royal Society for the four years that I have spent at Guelph, and while

last year's Open House had commenced. A huge thank you to all of the University of Guelph staff and faculty for their guidance and contributions, the donors who support our exciting plans, and of course, the thousands of student volunteers who make this possible. Everything that you will see this weekend was made possible by College Royal Society members or students in other clubs. No other university has an Open House of this magnitude, entirely run by students! It has been an absolute privilege for me to be a part of such a long-standing and ever-growing tradition.

– Amanda Farrar, President,  
College Royal 2013

## Welcome to Royal Country everyone!

As someone who has experienced College Royal as a visitor, exhibitor and competitor over the years, I welcome you to this one-of-a-kind Open House. College Royal truly is a unique place where families and friends can come and be part of the great events that the University of Guelph has to offer. Thank you to all of the students and volunteers for working so hard to ensure that everyone enjoys their College Royal 2013 experience. Let this booklet be your guide to this jam-packed weekend and I hope that you find College Royal as much fun as I have!

– Melissa Wagner, Celebrant,  
College Royal 2013

# College Royal™ 2013!

College Royal 2013 invites kids of all ages to explore Royal Country as they participate in our VIP Passport Activity! As you make your way around campus, collect eight stamps at various kids' events to win a prize. VIP Passports can be picked up at the Welcome Booth near the front doors of the University Centre, or at various kids' events throughout the campus.

Be sure to pick up your passport and receive a warm welcome to Royal Country! Have fun exploring! 40

## LOOKING FOR HELP?

Please feel free to approach any College Royal member on campus during open house weekend. They can be spotted wearing bright green jackets and black or white ribbons. Assistance and lost and found is also available at the information booth at the University Centre. 40

**SERVICE DOGS ONLY** are permitted in all buildings on campus.

### SYMBOLS KEY

# Main Events

Feeling fun and just a little competitive? Come join us in Royal Country with our traditional open house events, back again and more exciting than ever! From disciplined showmanship to high-energy games, College Royal has something for everyone to enjoy! The circled numbers beside each event location correspond to buildings on the campus map (pg 7 - 8). Unless otherwise stated, events run all day on Saturday and Sunday. See Schedule (pg 3-4) for additional times. All events are "fun for the whole family!" 😊

## Square Dance Competition

**Athletics Centre, Main Gym** 4

It's a College Royal Square Dance tradition! Come on down to the Athletics Centre's main gym on Saturday and experience some great competition and live music, as student, open and alumni sets dazzle with their dance moves. Be sure to join us! **Student sets start at 9:00 am, and open and alumni sets begin at 3:30 pm.**

Tug of War!

## Dog Show

**Athletics Centre, Main Gym** 4

Come check out everyone's favourite four-legged friends as student handlers and dogs from the Guelph community show off their skills. Teams have trained for 8 weeks and will be judged on technique, teamwork, overall performance, and attitude. This all-day event begins at **9:00 am on Sunday** and includes an exciting halftime show at noon. **Please only dogs participating in the show and service dogs allowed. Please no food allowed.**

5

## Ultimate Frisbee

**Johnston Green** 19

Interested in seeing what U of G students do in their spare time? Come out to Johnston Green on the **Sunday** of open house weekend and watch some ultimate frisbee! Spring always means J-Green packed with frisbee players- this sport is fun to play as well as watch! See you out there from **12:00 pm to 2:00 pm!**

## Logging Competition

**Johnston Green** 19

Come see the sawdust fly on Johnston Green as teams compete in numerous logging events. Teams will have to rely on their skill, strength and a touch of luck as they swing razor-sharp axes and pull mega-toothed saws. This event is always a crowd-pleaser, so come cheer the teams on! **See you 10:00 am Sunday morning!**

## Cat Show

**Rozanski Hall, Rm. 101** 37

Do you like animals of the feline variety? Well, look no further for entertaining and educational cat goodness than the Cat Show, **1:30 pm – 3:00 pm Saturday and Sunday!** Contestants will be judged in categories such as best markings, best owner/cat look -alike, and best in show. Don't forget to come by Rozanski anytime during open house weekend to cast your ballot for the cutest cat photo contest. Hope to see you there- it should be a purrfectly good time!

## Tug of War

**Johnston Green** 19

Pull pull pull the rope! Come see which team pulls their way to the top on Johnston Green, **Sunday at 1 o'clock!** This event will determine who's the strongest at College Royal 2013 and should not be missed! Grab your friends and family and come encourage our teams!

## Livestock Show

**Clinical Skills** 9

Come out and watch one of the most popular and longest running events that College Royal has to offer! The livestock show is a great two-day event showcasing talented exhibitors with our many wonderful animals. Saturday will feature ducks, swine and horses, while Sunday will show dairy, beef, and sheep. Plus, stay tuned for our mystery group of animals! **Please no dogs allowed. Please no food allowed.**

### Saturday:

Pigs & Horses- 9:00 am  
Ducks I- 10:00 am  
Lunch Break- 11:30 am – 1:00 pm  
Ducks II, Champions- 1:00 pm - 2:30 pm (approx)

### Sunday:

Sheep, Dairy & Beef- 9:00 am  
Lunch Break- 11:30 am – 1:00 pm  
Show resumes at 1:00 pm  
Champion Classes begin at 2:00 pm

## Junior Tractor Rodeo

**Outside Rozanski Hall** 37

Ever wanted to drive a pedal tractor? Well here is your chance! Any child aged 4–9 is invited to the Junior Tractor Rodeo on **Saturday and Sunday, 10:00 am – 3:00 pm.** Participants will pedal through a pylon-lined course on miniature tractors. We are located on Reynold's Walk in front of Rozanski Hall.

## Seeds and Forages Competition

**Crop Science Building, Rm. 116** 11

The Seeds and Forages show will be happening once again this year! Come out and see the large selection of crop samples from across Ontario and the many educational activities that we have to offer. This two-day event has something for all ages to enjoy!

## Old MacDonald's New Farm

**Dairy Barn** 12

Come on out to Old MacDonald's Farm! There are lots of animals to see, as well as displays and presentations! Do not miss out on "Rumen with a View" at **11 am & 2 pm!** Old MacDonald's Farm is located in the Dairy Barn, **Saturday 9:00 am – 5:00 pm, and Sunday 9:00 am – 4:00 pm.** We will be closed for a lunch break from 1:30 pm – 2:00 pm on both days. **Please no dogs allowed. Please no food allowed.**

## Photography Competition

**Science Complex, Atrium** 38

The Photography Competition has been showcasing the photographic talents of the University of Guelph for years! Students compete in 6 categories at the novice and experienced level for ribbons. A picture is worth a thousand words, so come join us on a journey through the royal world of photography in the Science Complex all weekend!

Flower Arranging

## Flower Arranging Competition

**Science Complex, Atrium** 38

Come and see some beautiful flowers to lift your winter blues! The flower arranging competition showcases all levels of student creativity, from novice to expert. Enjoy refreshing centrepieces, lovely corsages and exciting vase arrangements. There's nothing like a slice of spring to lighten your day!

## Pancake Flip

**University Centre, Courtyard** 40

Bring your appetite because we're having a pancake sale! Come **Saturday and Sunday from 9:30 am - 11:30 am** and allow your taste buds to indulge in our creative flavours, while competitive teams amaze you with their entertaining skills. Stay 'till the end to see which team is deemed the most successful by your votes! **Prizes will be awarded to the best student Pancake Flippers!**

## WHERE TO EAT ON CAMPUS

Feeling hungry? Visit our many student-run events serving full meals and delicious snacks! All events and displays serving food are indicated by this symbol. 🍷

In addition, the listed hospitality services will be open all weekend.

## STUDENT-RUN

### Pancake Flip (pg 6)

**University Centre, Courtyard** 40

# Club Displays and Exhibits

Visit the many displays and exhibits presented by the clubs, colleges and classes of the University of Guelph! Learn what you can gain from a University of Guelph degree or diploma, or get inspired by the fascinating facts and activities that our diverse groups have to offer! The circled numbers beside each display location correspond to buildings on the campus map (pg 7 - 8). Unless otherwise stated, all displays run all day, on Saturday and Sunday. Look for last year's best Display/Exhibit winners!

## Athletics

### Figure Skating Club 17

**Gryphon Sports Centre, Gold Ice Pad**  
Come out and see the University of Guelph Figure Skating Club showcase their talent in a free ice show! We'll be performing at the Gryphon Sports Centre on the gold ice pad on **Saturday from 12:00 pm -1:00 pm.**  
**Free public skate to follow until 1:50 pm. Bring your skates.** See you on the ice!

### Nerf Club (DTNC) 37

**Rozanski Hall, Foyer**  
Come check out the Guelph Nerf Club! Grab one of our nerf blasters and try your luck at our practice shooting range! Better yet, grab a friend and be prepared to battle it out in our mini battle area! Nerf blasters and goggles will be supplied. Drop on by!  
**Ages 6 and up.**

## College of Biological Science (CBS)

### Wildlife Club 38

**Science Complex, Rm. 2304, 2315**  
Explore the Royal Country while learning about wildlife located in your own backyard! Join us as we look at the impacts we have on our natural environment and find out what you can do to make a difference! Live animals, hands-on materials, activities and friendly volunteers are sure to make this a fun family experience!

### Future Vets Club 33

**OVC, Lifetime Learning Centre, Rm. 1715**  
Come join the Future Vets Club for a fun-packed day of face-painting, farm animal jeopardy and arts and crafts. You can make your own Play-Doh farm animal and even leave a mark on our mural! Fun for all ages!

### Marine and Freshwater Biology Society Science Complex, Rm. 2314 38

Avast ye Mateys! Set sail with the Marine and Freshwater Biology Society on a trip through the wonderful world of water and the animals that live there. Come see sea stars, sea cucumbers, crabs, and a host of other aquatic creatures. Dive into the Royal Country and dare to explore the depths with MFBS. Anchors Away!!

### BMSSA & HKSA present - Human Anatomy! 33

**OVC, Human Anatomy Lab, Rm. 1610**  
Come learn about the body you live in! Experience the pride and joy of U of G... the human anatomy lab! Take a look at real organs, get your finger casted and interact with different aspects of the human body with the assistance of anatomy students and volunteers. **Please no food allowed. Please no photography.**

### Microbiology Club 38

**Science Complex, Rm. 2305**  
Ever wondered if there was more than what meets the naked eye? Come join the Microbiology Club and explore the world from a different point of view - the microscopic one! Members will be there all day to guide you through fun activities and answer your questions! **Running Saturday only.**

### Nutritional and Nutraceutical Sciences Student Association (NNSA) 38

**Science Complex, Rm. 3317**  
Come visit the Nutritional and Nutraceutical Sciences Student Association and learn about how locally produced foods can impact your health. Discover the great benefits of the many nutrients in foods grown right here in the community. Kids can plant their own bean seeds to take home!"

## College of Management & Economics (CME)

### Garden2Table 24

**Macdonald Stewart Hall, PJ's Restaurant**  
"The Whole Family from Field to Table" brings experiential learning to everyone, through fun, interactive activities showcasing the connection between garden and table. A local chef will display Canada's bounty through hands-on cooking workshops for adults and children alike at **11 am and 2 pm each day!**

### my world, my choice! 22

**Macdonald Institute, Faculty Lounge**  
We are a campus club that aims to teach and mentor youth about the importance of environmental sustainability. Our exhibit offers a fun, educational, and interactive experience that is sure to be fun for the whole family! Come visit us just north of College Ave. in the historic Macdonald Institute!

## College of Physical & Engineering Science (CPES)

### Toxie the Cat Talks Tox: A Toxicology Mystery 38

**Science Complex, Atrium**  
Come join the Toxicology Students Association (TOXSA) and Toxie the cat in a mystery to find the hazards in her home! Become a super sleuth, find the risky items, and learn about why they're dangerous! Also take part in some fun arts and crafts by making your own chalk stick chromatography columns!

### Nanoscience Club 38

**Science Complex, Rm. 1511**  
The Nanoscience Club will be hosting an exciting array of interactive displays, showcasing the properties of materials at the nanoscale. Drop by to learn how the world of the very small goes beyond your imagination!

# Club Displays and Exhibits

### Guelph Innovations Society (G.I.S.) 27

**Thornbrough Building, Halls**  
The Guelph Innovations Society (G.I.S.) is a new club on the Guelph campus! Come check out our 3D printer, along with the various projects and technologies that we have in development.

Food Science Milkshakes

### Chemistry & Biochemistry Club- Magic Show and Interactive Demos 27

**Magic Show: MacNaughton, Rm 105**  
**Interactive Demos: Science Complex, Rm. 2102, 2103**

**38**  
Watch Mario and Luigi live in action as they perform in our Magic Show- "SuperMario: ChemLand, The Return of Trogdor!" Join the Mario Brothers as they battle Trogdor, the evil dragon who terrorizes the mushroom kingdom, on **Saturday and Sunday at 10:00 am, 12:00 pm and 2:00 pm** in MacNaughton 105. Then come to the Science Complex for interactive demos (all day)- learn how everything was done, and even try some experiments yourself!

### Mathematics & Statistics Club 37

**Rozanski Hall, Rm. 108**  
True or false: If dogs can fly, then  $1 + 1 = 0$ . Do you think you know the correct answer? The Mathematics and Statistics Club invites you to test your logical abilities through a variety of puzzles and games. We also have a table for colouring, so come add to our hexagonal mosaic! **Running Saturday only.**

### Physics Club 27

**MacNaughton, Rm. 113**  
This family-friendly exhibit has interactive physics demonstrations in a wide variety of fields! There are displays for all ages and backgrounds to test your knowledge, including Non-Newtonian Fluids, a Newton's wave, electricity, and conservation of momentum. **Electricity demos will be held every 20 minutes, starting at 9:00 am.**

### University of Guelph Astronomy Club Science Complex, Rm. 3310 38

Does the universe have a beginning and an end? Walk the universe timeline with us and see how we came to be! Wonder what the inside of Jupiter, the Sun, or our own earth looks like? We have the answer! Want to know the constellations? Come create your own! UoG Astronomy has something exciting to offer for everyone!

### Creative Encounters with Science 39

**Thornbrough Building, Rm. 1435**  
Creative Encounters with Science invites you to check out our cool, hands-on displays and science shows throughout the weekend! Let your inner engineer take over with our creative building challenges, or simply get your hands dirty with our Magic Mud! Don't forget to stick around from **1:00 pm - 2:00 pm** for a couple of wicked science shows!

### Guelph Engineering Society 39

**Thornbrough Building, Atrium**  
Come discover Guelph Engineering by taking part in our exciting activities just for kids! Design and build fun stuff like a robot arm, a boat to race, or a tower that reaches the sky! Enjoy some snacks while you're here!

### Bioengineering Club 39

**Thornbrough Building, Biological Lab, 2<sup>nd</sup> floor**  
Come check out our fun and educational hands-on bioengineering activities! See how many Newtons of force you can generate by crushing candies and jumping on a force plate! We also have a station to assemble a skeleton puzzle, make DNA pasta, and design/draw your own prosthetics!

### Society of Computing and Information Sciences- Roboticon 2013 37

**Rozanski Hall, Rm. 104, 105**  
Robots. Lego. Need we say more? Come see local high schools compete for robotic supremacy in a contest of wit, problem solving, and engineering. Teams will be building all day, but if you're looking for real excitement, come and watch one of the challenge heats! See Schedule.

## College of Social And Applied Human Sciences (CSAHS)

### Geography Society 18

**Hutt Building**  
Welcome to Royal Country! Come visit the Geography Society in the Hutt Building and learn all about rural geography with a royal twist. Activities include button making and planting your very own field in a cup! While you're here, don't forget to check out our lab equipment and find out firsthand about the exciting work that geographers do!

### Child, Youth and Family Student Association 3

**Animal Science & Nutrition, Rm. 141**  
Travel to Royal Country with the Child, Youth and Family students! Enjoy various activities including face painting, crafts, stories, and a photo booth. Everyone is welcome to come out and enjoy some refreshments and an afternoon of fun. Stroller parking and a nursing room are available. **Running 9:00 am - 5:00 pm Saturday, 10:00 am - 4:00 pm Sunday.**

### Applied Human Nutrition Student Association 24

**Macdonald Stewart Hall, PJ's Restaurant**  
"You are what you eat". This ubiquitous phrase captures the essence of nutrition and its impact on our bodies and minds. As aspiring nutrition experts, we want to help promote eating well- come check us out to see how this practice can be integrated into our lives in enjoyable, practical and sustainable ways!

# Club Displays and Exhibits

## CSA Clubs

### Aboriginal Student Association Open House

**Federal Building 43**  
Come to the Aboriginal Resource Centre for traditional crafts, music, and food! Fun for children and families, and anyone wanting to learn more about traditional Aboriginal culture or the Association's presence on campus! **Running 12:00 pm – 4:00 pm, Saturday only.**

### Guelph Campus Conservatives (GCC)

**University Centre, Courtyard 40**    
Come check out the Guelph Campus Conservatives! We've been a club at the University of Guelph since 2007, and we're part of the Ontario PC Campus Association. The GCC is one of the most active conservative clubs in the province, holding regular events open to the student body and general public. Stop by our booth to learn more about our upcoming events, and the Ontario PC party.

### Health and Performance Centre

**University Centre, Courtyard 40**  
Our unique Centre offers a wide range of health-related services to the Guelph campus and community. We specialize in the diagnosis, treatment and rehabilitation of acute and chronic orthopaedic, musculoskeletal, and sport/activity-related injuries. Visit our booth to see an interesting sugar display from our nutrition department, and to learn more about the HPC!

### Muslim Student Association: Smiling is Charity

**University Centre, Courtyard 40**  
Islam teaches us to be kind to everything and everyone around us. Let us shine a little bit of kindness on you today! Stop by our booth for exotic henna painting, getting your name written in Arabic, snacks, freebies and much more! We guarantee to leave you with a smile!

### University of Guelph Medieval and Renaissance Society

**Rozanski Hall, Foyer 37**  
The University of Guelph Medieval and Renaissance Club (UGMRC) is involved in historical reenacting of pre-17th-century culture. We'll be showcasing our many activities, including handmade costuming, chainmail making, fencing, dancing, and armoured combat. Live, interactive Renaissance fencing bouts, armoured combat, and medieval dancing demonstrations will be provided throughout the day!

Medieval and Renaissance Society

### University of Guelph Animal Interest Network

**Science Complex, Atrium 38**  
UGAIN is a club dedicated to bringing together people from varying backgrounds with a common interest in animal science! Through member-organized events and discussions, we educate each other and gain experience with current animal issues. Come visit us to learn some new info, have a treat and get your face painted! **(We will be closed for a one-hour lunch break at noon).**

### Free the Children

#### Rozanski Hall, Foyer 37

Come by and visit the UoG chapter of Free the Children! Our display showcases the "Adopt a Village" system we use to fight poverty around the globe. We will also have information on our club events, and on Ecuador, our country of focus for this year.

### Frontier College Kids' Spelling Bee

#### University Centre, Courtyard 40

You are invited to take part in our non-competitive Spelling Bee! Children from grades 1- 8 are welcome and free prizes will be awarded to everyone participating! We also have a colouring/drawing table where kids (and parents!) can wind down and get creative! We hope to see you there! **Running 12:00 pm – 2:00 pm, Saturday only.**

## Ontario Agricultural College (OAC)

### University of Guelph Junior Farmers

#### University Centre, Courtyard 40

UoG Junior Farmers invites everyone to Farmer King's Royal Country to learn about his favourite food - PIZZA! All ages can learn about where pizza ingredients come from, and pose for pictures with Farmer King and his royal animals. Adults- we challenge you to complete our quiz and enter to win a fabulous prize pack. See Schedule for kids' activity times.

### OAC 2016 Sabres

#### Crop Science Building 11

The Ontario Agricultural College class of 2016 focuses on academics to achieve its greatest potential, as well as building friendships, memories and skills that last a lifetime. The Sabres are the most recent addition to the long-standing line of OAC students, and we will continue the famous Aggie spirit as we develop our futures for success in agriculture. Come visit us any time this weekend!

Fun for the Whole Family

Food & Snacks

Prospective Students

Alumni

# Club Displays and Exhibits

### OAC 2014 Rams

#### Dairy Barn 12

The OAC 2014 Rams welcome you to College Royal! With a family-friendly display, we encourage you to stop by! We would love to show you what agriculture, our class, and the Ontario Agricultural College has to offer!

### Horticulture Club

#### Bovey Building 6

We invite you to take a walk through our backyard. Plant some vegetables, play in the bean box, and find inspiration for spring planting. Come learn about how local your food can be- you may be surprised! Follow the signs to see all this and more!

### Animal Science Society BBQ

#### Animal Science & Nutrition (ANNU), Parking Lot 26 3

You're invited to our all-day Open House BBQ (starts 10:30 am), where we'll be serving humanely-produced burgers and hot dogs from Rowe Family Farms, as well as veggie burgers! Our Children's Activity Area is close by (ANNU Lobby) and will include face painting and interactive animal crafts! Club members will also lead informal tours to the "Rumen with a View" exhibit (see pg 6/Schedule). **If raining, BBQ will be held in ANNU Rm. 110.**

### OAC Poultry Club

#### Dairy Barn 12

The University of Guelph Poultry Club will be showcasing its club initiatives at Old MacDonald's New Farm (pg 6). We will have various types of poultry on display including the 4 different breeds of laying hens founded by Dr. Donald Shaver. Come see what's crackin'!

### OAC 2013 Razorbacks

#### University Centre, Courtyard 40

Come check out a display of the best class in the OAC! We are the future of agriculture and proud of it! You can watch us competing in almost all of the events or taking part in College Royal in any way we can! Feel free to stop us in our blue and silver leather jackets to ask us any questions you may have about the Aggie lifestyle.

### Food Science Club

#### Food Science Building 14

Experience Royal Country with the Food Science Club! Learn about how farm-fresh ingredients make their way onto your table. **Starting at 10 am and running every 2 hours**, show off your taste-testing skills and see if you can spot the differences between milk samples. And don't forget to pick up one of our delicious milkshakes!

### OAC Swine Club

#### Dairy Barn 12

The OAC Swine Club is a new club from 2012, with booming membership and an open-door policy to all students, no swine background necessary! We'll be showcasing our achievements at Old MacDonald's New Farm (pg 6). Come learn about pork production in Ontario with our production display boards, and check out what's new!

### Wild Ontario

#### Thornbrough Building, Rm. 1200 39

Welcome to Wild Country! Wild Ontario is pleased to offer "wildly" exciting, interactive, live animal programs every half hour from **11:00 am – 3:00 pm on Saturday and Sunday!** Join us for a rip-roaring, high-flying, family-friendly introduction to some of Ontario's wildest wildlife! Lots of learning and tons of fun guaranteed!

### OAC Beef Science Club

#### Dairy Barn 12

Ever wondered how a delicious steak makes its way from the farm to your fork? If so, come on out to Old MacDonald's New Farm (pg 6) and ask the OAC Beef Science Club! We'll be there both days and will answer any questions you have about beef.

### Dairy Science Club

#### Science Complex, Atrium 38

Stop by the University of Guelph Dairy Science Club exhibit for a carton of chocolate milk! While you're here, test your knowledge of the dairy industry on our trivia wheel and win a prize! Wellington County dairy educator June Switzer will also be present with interactive activities for children. (See Schedule.)

### Animal Biology Student Association Science Complex, Atrium

Are you interested in Animal Biology? Stop by our display to meet our executive and learn all about this exciting discipline at UoG! Kids- come get activity sheets and have your face painted like your favourite animal!

### OAC 2015 Bulls

#### University Centre, Courtyard 40

Come check out what the best class in the OAC has achieved this past year! Members of the 2015 Bulls Class will be available to answer your questions about the OAC community, programs offered within the OAC, and agriculture in general.

## Ontario Veterinary College (OVC)

### OVC Teddy Bear Surgery

#### OVC, Cafeteria, Rm. 1708 33

The OVC Class of 2014 presents Teddy Bear Surgery! Children will get to dress up as a surgeon and with the help of one of our student veterinarians, we will go into a mock surgery room and fix whatever is wrong with your fuzzy friend! **Bring your teddy bear.**

### Pet Loss Support Hotline: Celebrating the Animal-Human Bond

#### OVC, Lifetime Learning Ctr, Halls 33

What does your pet mean to you? Come by the OVC to our booth on Saturday and Sunday to learn about the OVC Pet Loss Support Hotline and share your thoughts and stories about pets. Join us in celebrating the unique and special bond that we share with our animals.

### OVC '16 Bodyworlds: Animal Edition!

#### OVC, Animal Anatomy Museum, Rm. 1618 33

Join the OVC Class of 2016 in the Anatomy Room to explore the world of the animal body! This interactive display for kids and adults will allow you to navigate through the body systems of many types of animals, and touch various organs. Come learn about what makes animals awesome from the inside out!

# Club Displays and Exhibits

## OVC Laboratory Animal Medicine Club

OVC, Lifetime Learning Ctr, Rm. 1701

Our club seeks to introduce student veterinarians to the exciting world of laboratory animal medicine. We organize field trips and talks on current issues in the subject. Come join us to learn more about the care of rabbits, rats, mice and guinea pigs and take a run through our maze!

Running 9:00 am- 3:30 pm.

## OVC Pathology Club- Welcome to Toxic Country!

OVC, Lifetime Learning Ctr, Rm. 1713

Come on over to the OVC and see our "toxic country"- a kid-friendly exhibit where you'll learn about different plants and household items that can be toxic to your furry family members. This exciting exhibit was created by the student chapter of the American College of Veterinary Pathologists.

## EcoHealth Club

OVC, Lifetime Learning Centre, Rm. 1715

The EcoHealth Club is an interdisciplinary group of students and faculty who strive to incorporate the ideas of human, animal and ecosystem health into everyday life. Come learn the basic principles and how you can be involved! Commit to a small, positive change by stamping our banner and signing your name! Kids can make cards with stamps to share their ideas for being active, healthy and environmentally friendly with their families. We hope to see you there!

## OVC Bovine Club

OVC, Equine Admitting

Do brown cows make chocolate milk? Meet the Bovine Club and learn all about where your milk comes from! Come see the tools a cow vet uses everyday to take care of these "MOO"-tastic animals. You can also colour and name your very own cow and add it to the Bovine Club barnyard! The cows can't wait to meet you!

## OVC Equine Club

OVC, Lameness Lunging Ring

Ever wondered what it's like to be part of the equestrian world? Then join the OVC Equine Club for a fun-filled experience in the Lunging Ring. Come take part in our weekend games and explore the Royal Country with "Einstein". There will be interactive activities for all ages and friendly competitions run each hour on the hour.

## OVC Class of 2015

OVC, Rm. 1701

Have you ever wanted to be like the investigators on CSI? Or solve medical cases like House? Well you can! Come by the OVC 2015 display, where our disease-themed exhibit features real cases for you to investigate. Visit each station for clues and see if you can identify the culprit!

## OTS (Vet Frat) Petting Zoo

OVC, Lameness Breezeway

Ever wonder how soft a cow's nose is, or if a sheep's wool actually feels like your mittens? Come meet some of the awesome creatures that we work with and find out! Learn about our favourite farm animals, and maybe even make a new friend. **Please no food allowed. Please no dogs allowed.**

## OVC Swine Club

OVC, Lameness Breezeway

Happy Healthy Hogs! Join the OVC Swine Club for an interactive exhibit about disease prevention on farms and swine welfare research at U of G. Come meet our pigs and learn how to keep them happy and healthy. Watch demonstrations on how we detect sickness and lameness in pigs!

## Unaffiliated Organizations

### 50th Anniversary Museum Exhibit

Science Complex, Atrium

The U of G will be 50 in 2014! To mark that special year, students are curating an exhibit that will be installed at the Guelph Civic Museum. Come see how U of G has changed lives and improved life at home and abroad, and witness a museum exhibit in the making!

## Guelph Synchronized Swim Club

Athletics Centre, Red Pool

Guelph Synchro Club will be putting on a demonstration (Water Show) on **Saturday from 1:30 pm - 3:00 pm** in the Athletics Centre Red Pool. Our club has various levels from Novice to Full Competitive. Take some time out of your busy schedule and let our athletes entertain you!

## Ontario Public Interest Research Group (OPIRG) Guelph

Science Complex, Atrium

Come discover why activism is awesome! Join OPIRG for button building, sticker designing and patch making. Learn about OPIRG's mandate and projects. Help build our Inspiration Clothesline and spread a message of positive change to our community and beyond. No experience necessary, all materials provided. Stop by any time!

## Let's Talk Science!

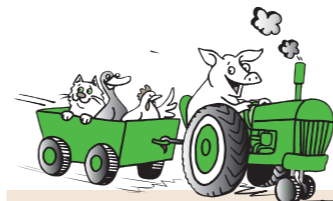

Science Complex, Rm. 1504

Let's Talk Science is a national charitable organization that pairs university student volunteers with schools and community groups. Stop by to join in our family-friendly, hands-on science activities all weekend, and to learn how our volunteers can visit your class or community group!

## WUSC- World University Service of Canada

University Centre, Courtyard

WUSC believes that all people have the right to education and empowerment and is dedicated to helping youth and communities in crisis around the world reach their full potential. Come learn about our Student Refugee Program and our Shine a Light Campaign! What can YOU do to help make education within everyone's reach?

# Inside U of G!

Want to see U of G from the inside out? We have many tours to offer, including self-guided programs, and student and faculty-led forays into campus life behind closed doors. Get on board, go behind the scenes and explore what it means to be a part of the campus community!

## CAMPUS TOURS

University Centre, Main Doors

These tours are aimed at prospective students who would like to see what being a student on the Guelph campus is all about. Visit general academic areas including classrooms, dining halls, the library, athletics and a student residence. The tours will be approximately 1.5-2 hrs in length. Arrive at the Admissions Services table at the University Centre, main level, Main doors, 15 minutes before the tour time. **Tours will run at 10:30 am & 1:30 pm on Saturday, and 1:30 pm on Sunday.**

## SELF-GUIDED OPEN HOUSE TOURS

University Centre, Main Doors

Feeling stressed about planning your visit to College Royal? Never fear, because you can sit back, relax, and explore with our Self-Guided Open House Tours! We've selected a variety of events for you to enjoy, from traditional favourites to new and exciting treats. Just pick up your "tour guide" from our Welcome Booth in the University Centre, and follow the trail of events that we've blazed for you. A visit to the Royal Country has never been easier!

## Faculty Tours

## WHAT HAPPENS WHEN YOUR PET GOES TO THE VET?

OVC, Hill's Pet Nutrition Primary Healthcare Centre

Visit the OVC's Primary Healthcare Centre any time this weekend for a behind-the-scenes tour of a veterinary hospital- learn about what happens when you take your pet to the vet! We'll offer a unique perspective on the importance of maintaining your pet's health and the way diseases are diagnosed and treated. Kids are encouraged to **bring a stuffed animal** and participate in "Teddy's Visit to the Vet". Also learn about our research partnership with the Pediatric Pain, Health, and Communication Lab (Dept. of Psychology), which is examining the effect that children's visits to a veterinary clinic can have in reducing anxiety associated with doctor's visits and medical procedures. Lots of family-friendly activities, including animal-themed kids' crafts, will be available.

## SCHOOL OF ENVIRONMENTAL SCIENCES (SES)

Alexander Hall, Rm. 265, 218, 113, 024, Lobby

The SES invites you to explore environmental sciences through interactive adult and child-friendly exhibits about Earth, Air and Life! Kids- come and make your own egg carton insect or a terrarium to take home! Wear a hard hat and explore ore deposits in a mine! Join in and explore the natural world around you!

## PROJECT RE•VISION AND REDLAB

Blackwood Hall, Rm. 102, 103

Sixty-plus films have been made by women living with disability and difference as part of Project Re•Vision, a collaborative initiative dedicated to exploring ways in which arts-informed research can create opportunities for communities to generate new knowledge and advance social inclusion by challenging stereotypes. Come view a selection of digital stories at our new multimedia arts institute, REDLAB, and witness the fierce ways women with disabilities talk back to cultural expectations. Ongoing throughout the day.

## BEDROCK AQUIFER DISPLAY

Thornbrough Building, Halls

Did you know that the City of Guelph relies almost entirely on groundwater for its drinking water supply? Come out to College Royal and explore where your drinking water comes from. Rock core from a recently drilled well is laid out for you to examine and handle and see what our drinking water aquifer looks like. There will be regular guided demonstrations to highlight sections of interest. Take this opportunity to explore the regional geologic units, and see what goes into the research of this vital resource through hands-on interactive displays. Appreciate the grand scale of the groundwater system and see how groundwater and surface water tie together. Come away with a better understanding of our groundwater system with respect to groundwater quantity, and the quality of the water supply.

## PLANT AGRICULTURE DISPLAYS & TOURS

Crop Science Building, Rm. 117

Do you know where your food comes from? At the Plant Agriculture Department Display you'll learn all about it from farm to fork! The Bioproducts Discovery and Development Centre (BDDC) will also have a display to show you what else traditional food crops can be used for, like car parts! Have you ever wondered how photosynthesis really works? Come on out and see it happen before your eyes. There will be displays on a multitude of field and turf crops, as well as those pesky weeds that invade your garden every year! Don't forget to show up for an exciting behind-the-scenes tour of our facilities- space is limited!

Crop Science Building Greenhouse Tour

Saturday: 11:00 am

Bioproducts Discovery & Development Centre Tours

Saturday: 10:00 am, 3:00 pm (45 min, 20 people max)

Sunday: 11:00 am (45 min, 20 people max)

## HORTICULTURE GREENHOUSE TOURS

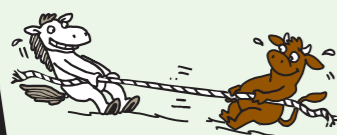

Bovey Building

Join us on a tour of the research and teaching greenhouses in the Bovey Building and catch a glimpse of the range of research that is conducted using plant material. After the research facility tour we will tour the tropical plant collection and try our hand at identifying familiar and not-so-familiar plants. You will learn to tell what a Russian dandelion and an aircraft tire have in common and how to detect a Titan Arum in bloom!

Saturday: 11:00 am, 1:00 pm (60 min each, 20 people max)

Sunday: 11:00 am, 1:00 pm (60 min each, 20 people max)

Tour guides: Graduate Students and Staff from the Department of Plant Agriculture

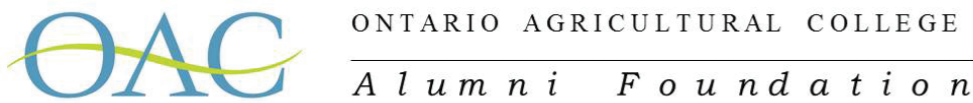

# Sponsors and Donors

The College Royal Society would like to extend its sincere appreciation and thanks to all of the sponsors and donors who have contributed to College Royal 2013. Without their remarkable support, College Royal could never be the successful event that it is. Their support helps this long-standing tradition of the University of Guelph build upon its successes and further develop year after year. Please support the following businesses and organizations if you ever have the opportunity, just as they have supported us.
